

LICENSING AGREEMENT FOR TRENT XWB TRANSPORTATION EQUIPMENT

Dedienne Aerospace is glad to announce the signing of a licensing agreement with Rolls-Royce on the 7th of October 2015 for the Trent XWB transportation equipment.

This new partnership will give us the necessary repertoire to face the future with confidence and to give our customers the possibility to choose between several suppliers.

One of the main positive aspects for our success story has been our worldwide positioning, our proximity to our customers and our commitment to deliver a high quality products.

Thanks to this License agreement we are in the front line to support our customers during the EIS of the A350 XWB in the coming months. Our worldwide sales teams will be happy to meet you for introducing our new products, developments and services. Dedienne Aerospace is very proud to be a part of the Trent XWB journey and to get the status as a preferred supplier of Rolls-Royce.

Trent XWB Engine Stand

DEDIENNE AEROSPACE is a worldwide leading company specialized in ground support equipment and precision maintenance tooling for civil and defense markets.

Since 1947, we have established strong partnerships with various prestigious OEMs in the world. We are now proud to support programs of Rolls-Royce, CFM, Pratt & Whitney, UTAS and BOEING as an official licensee, as well as AIRBUS and COMAC in the field of industrial partnership.

From Design to Customer Support, our aim is to provide our valuable customers with highest quality of products and services.
